FOR CHRISTMAS GIFTING!

#BusinessMadeEasy

Kathy Dalton | SME Sales Manager

This Christmas, thank your clients, colleagues, family and friends with a hamper from our extensive range. With something to suit all budgets and tastes, we can take the stress out of the corporate gifting process. You'll receive support from your local SME advisor every step of the way, and we can even deliver gifts to each recipient.

You'll also be supporting local Irish suppliers, with all our hampers featuring Irish products, including four new Irish suppliers who are featured throughout the brochure. All our hampers are packed here in Ireland, and as sustainability is important to us, we use biodegradable pellets as packaging.

Speak to your local SME Business Advisor today for advice on choosing gifts, delivery options, bespoke options and more!

WEST CORK
ESTD 2003
BISCUIT CO.

West Cork Biscuit Co.

The business was founded by Richard & Jane Graham-Leigh back in 2003. The recipe was simple, no E's or additives, using only the best ingredients, sourced locally.

Today they are still producing the biscuits by hand, from the original recipe in their Cork bakery. The team has grown a little more since then, and they now have a dedicated team of 10 staff, baking their biscuits.

By 2025, 40% of our transport will use a
sustainable fuel source, reducing carbon
emissions by 30% in 2025 & 50% by 2030.

Caring for the Planet

100% Green Electricity

Our branches use 100% Green Electricity. Our Cork Food Emporium will be the first to install solar panels, 100% LED lighting and Electronic Shelf Edge Labels (ESEL). This will reduce the branches carbon footprint and provide a "green-print" for all 7 branches in ROI.
